London Diocesan News

Summer 2019

## Dear Friends,

My first letter to you as your Diocesan President and by the time you read it half of 2019 will have passed. If everything has gone as planned you're also reading your "In Touch" in its new format. Following in the steps of "Families First", trustees decided that we downsize too. You will find it easier to carry around and, more important, the cost of postage to our increasing numbers of Diocesan members will be less. Your comments would be appreciated.

My thanks to Margaret for having done such a fantastic job and I hope I can match up. I certainly wasn't prepared for the information overload but learning how to file into keep, share and bin.

I hope to get to visit as many branches as possible during my term in office – early days yet! My prayer is that our Diocese will grow & flourish.

I did accompany Margaret to meetings and conferences over the years but the last Canterbury Conference I was flying solo – quite a responsibility. It was wonderful to meet up with friends, Ruth and Sheila, who used to be London Diocese but are now in the South West – Truro and Exeter.

Contact has been made with Spurgeons, who run the visitors centre at Feltham Young Offenders Unit. They are very keen to work with us so we can assist on Family Days. It's encouraging to have new Diocesan projects happening alongside the well established ones. I will be making contact too with the charity that works in Pentonville prison.

It is an exciting time for Mothers' Union with our new World Wide President, whose commissioning service was an uplifting occasion. In our own Diocese we have 3 new Area Vice Presidents and new trustees.

Please pray for them and all our members as we Listen, Observe and Act – in Step with God.

*Love and prayers*  
**Sue**

## Dear Members,

Greetings and welcome to our Summer edition of In Touch magazine. I am grateful to our President, Sue Johnson for allowing me to pick up the challenge and run with the role as Editor.

I am truly honoured and privileged to have been newly elected as a Trustee on the Board of the London Diocese, for the term 2019 to 2021, with responsibility for the role of Worldwide Links Correspondent. I have been a member of my local branch at All Saints, Notting Hill for the last 10 years.

You will remember that the Links project was a direct result of the Wave of Prayer which was started in 1920 to unite all members of the Mothers' Union in prayer. Each diocese was prayed for in turn as the wave encircled the world. In 2014, the worldwide Trustees reorganised the Wave of Prayer to accommodate the growing membership of the Mothers' Union worldwide. It is reassuring and exciting to learn that there are approximately four million members in eighty three countries around the world.

Following this reorganisation, the London Diocese is currently linked with Mothers' Union members in El Obeid in Sudan, Butere in Kenya, Mbale in Uganda, Brisbane in Australia, Nnewi in Nigeria and the Province of United States of America.

I am pleased to report that to date, I have been in touch with members in Nigeria, America and Australia who are all engaged in many prolific projects in their dioceses. Some of these include caring for refugees, unwed teenagers and the homeless in America. In Nigeria, members assist schools and victims of natural disasters and terrorism and carry out physical hands on activities. In Brisbane members support hostels for women and children, visit the aged in nursing homes and provide assistance in periods of drought.

As my role develops, I will continue to establish communication with all our Links around the world and share the information I have gained with you.

As you are aware, prayer is at the heart of all that we do in the Mothers' Union. I would encourage you to continue to support all the activities of the Mothers' Union both locally and nationally. I hope you will enjoy the magazine and I wish you God's blessings for good health and happiness in the future.

*Much love,*

***Allyson Williams MBE Editor***

## **Commissioning of Dorothy Nnene as AVP of Edmonton Area Mothers' Union**

Commissioning of Dorothy Nnene as the new AVP of Edmonton took place at the Lady Day Service held on 27<sup>th</sup> of March, 2019 at St. Peters Church in Edmonton. The Bishop of Edmonton, Rob Wickman, conducted the Service. Dorothy's interest and love of the mission of the Mothers' Union lead her to reintroduce it at St. Aldhelm's Parish in 2015 where she worships.

We began as a little acorn and indeed very blessed to have her as our leader. Today we continue to be stronger under Dorothy's leadership. We are so proud of Dorothy's achievement and willingness to take on the responsibility of the new positions' requirement. As the new AVP, she has the full support of our members and we pray in Jesus Almighty Name, and by the Grace of God, that he gives her the strength to perform her duties. Amen!

## **Enrolment St. Aldhelm's Parish**

What a blessing it is for Dorothy Nnene, AVP Edmonton Area. Her first enrolment of a new member is from her very own group at the Lady Day Service on 27<sup>th</sup> March, 2019. We are so proud to welcome Althea Challenger as a member of St. Aldhelm's Parish Mothers' Union. As God continues to move in our heart to spread his love and support for each other, we look forward to sharing the mission of the Mothers' Union.

## **Food delivery to local Food Bank serving Enfield-Edmonton**

St. Adhelm's Parish Mothers' Union continued their yearly support to the local Food Bank as the families in need increased this year. We are thankful to the members who took the time to come out on 9<sup>th</sup> of April, 2019 to support this worthy cause. We had such a great time shopping. Give God the Glory! 1 Corinthians 13:13 - And now abideth faith, hope, charity, these three; but the greatest of these is charity.

## Beatles and Penguins

The Beatles have never appeared on any list that I have seen of recommended topics for MU meetings. However, as a community event in August, a presentation on “The Beatles, and why they are the Shakespeare of rock & roll “ by the Vicar of St John and St Luke, Clay Hill, Enfield, the Rev’d Peter Godden, was a great success, with 120 people present.

Two weeks later a presentation on “14 Months in the Freezer” (research in Antarctica) by Dr Malcom Foster was also very well received.

We deliberately timed these two meetings for Friday mornings in the summer holidays, when our community choir does not meet. Many choir members came, not only out of interest in the subjects, but also because their other clubs and societies were having a summer break.

The branch has gradually changed its policy on meetings. We used to have fairly small monthly meetings which were chosen to interest or entertain our members, and we advertised them to others in the church who might be interested. Gradually, without any great plan, we have widened the scope of the programme by arranging meetings of interest to the general public, and advertising them more widely. These meetings have all come as suggestions from the people presenting them, who bring their own projectors or know how to set up the parish equipment! Most of us thought we knew all about the Beatles, having grown up with them (unlike Fr Peter) but we were amazed at his depth of knowledge, and impressed with his explanation of their musical development over the years.

Likewise, we thought we knew about the Antarctic: it’s very cold, and there are penguins. We were fascinated by the description of the research Malcom had done and the details of living in such a dangerous environment. My abiding memory is the picture of the staff – electricians, carpenters, weather and other specialists – in hospital gowns and masks round an operating table, trained to assist during operations if the need arose!

The icing on the cake was the financial benefit to the parish. Our community choir spent last autumn term meeting in another church because some tiles had fallen from the ceiling of St Luke’s, and the choir members were very glad to return in January. They, and others, showed their appreciation when we had collections in aid of the ceiling fund after these two meetings, and the £500 raised completed the amount outstanding. This was a special appeal, not competing with MU funds.

## Feltham Young Offenders Unit

A few weeks ago I was invited to Feltham to meet with someone from the charity Spurgeons Children's charity. They are responsible for organising family fun days across the prison, delivered in an informal setting where fathers and their children or sibling groups can play, have fun and share quality time with each other. Family time is so important.

The importance of family is high in Mothers' Union scheme of things so I feel we have a great deal to offer and Spurgeons are keen to have us volunteer with them.

We have already begun by providing them with Easter eggs and Easter craft materials but we can do so much more.

Want to get on board and make a difference to these families? Please contact me for an application form. Details of family days for the rest of the year are printed in the magazine. please note you're unable to just turn up, as your application must be approved first.

I pray we can make this work

Gracious Lord, You gave us Your son who is our salvation: He is the Vine that enables us the branches to bear fruit so that we are complete in Chrst; Your Holy Spirit our Counsellor and comforter to guide us in all truth; and your Word which guides and corrects us so that we “may be thoroughly equipped for every good work. In You, Lord, we lack nothing. Thank you for giving so abundantly. Merciful Lord, help us to be open to every Grace from above and sensitive to every need around us. Train us in ways of loving that will bring justice and healing to others as we follow in the steps of our Lord Jesus Christ. Jackie Franklin

5<sup>th</sup> April 1937-11<sup>th</sup> April 2019

I attended the funeral service for Jackie today and was pleased to see so many Mothers' Union members there from across the Diocese.

She recently celebrated her 82<sup>nd</sup> birthday.

She had been a member of St Peter and St Paul, Ordnance Road initially before worshipping at St George's having lived in the area all her life.

She served Mothers' Union as a Diocesan President, speaker across the Diocese, branch leader and most recently representative for the Diocesan members.

Having served our Lord so faithfully she can now rest with him forever.  
RIP Jackie.

# Christmas Angel

**What you will need** - Some wool (in any yarn or colour), Knitting needles (between size 10-8 (that's 3.25mm and 4mm)) Darning needle (like a big sewing needle), Small amount of stuffing

The angels have been designed to be as simple and as flexible as possible so everyone from a beginner to a more advanced knitter can have a go. Feel free to adapt the pattern if you want to by adding in different colours or making a larger angel, If you want a place to start we have used a size 9 needles with double yarn to knit some of ours.

You will need a basic knowledge of knit and purl to make these angels but don't let that stop you if you haven't done it before. Find someone who can teach you and ask them to help you learn a new skill. And most of all have fun.

## The Pattern - Angel-Body

Using a darning needle, thread the end of the yarn through the stitches and tighten to create the top of the head. Turn the angel inside out and sew up the head and the body. Around the neck, take a small amount of stuffing and place at the top of the head, then thread some yarn between stitches and pull loosely together.

## Angel - Wings

Cast on 27 sts

1. Knit row
2. Knit row
3. Decrease at each end (Knit)
4. Knit
5. Knit 12 rows, decrease at each end cast off

*This angel is knitted in sparkly cream, with sparkly mohair wings*

### Option 2 (more advanced)

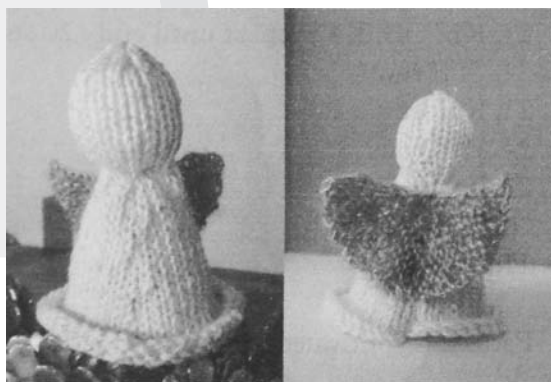

The wings are knitted in short rows, with the yarn wrapped around the last stitch in the middle of each ridge. To complete this you need to bring your yarn forward, slip the stitch over purlwise, take the yarn back again, replace the slipped stitch, bring the yarn forward again and turn the work.

W&T = wrap & turn
